

Free Consultation Request Form

Whether you are a mortgage or real estate professional submitting your client's credit report for a free consultation, or an individual submitting the information on your own to CRC directly, in order for CRC to give a free consultation, we must have a copy of the credit reports and scores. Please complete this form in it's entirety and send it to CRC with a copy of the credit report: Here are your options:

1. You can Fax everything to CRC at (949)975-8522.
2. You can scan and email everything to CRC at info@creditresourcecorp.com
3. If you have pulled your credit reports on-line, fill in the log in information in Section 2. below and once we receive this request form, CRC will sign into your account and pull your credit reports in our office. This does not hurt your credit.

If you do not receive a confirmation email from CRC within 24 business hours of sending the request, please call us at (866)541-2500. CRC's technology is highly secure and we have never had a breach of data. All faxes are received by a secure server, and all emails are stored on a secure server. Once we receive your request, a CRC representative will call to schedule the free credit consultation.
